Dear Ms. Becker:

I commend you on creating the Chemo Buddy Club. Your business has provided a unique way to give encouragement and strength to cancer patients. The idea to give a basket of gifts is a wonderful way to provide tangible support to cancer patients and gives them something to look forward to during a challenging time.

Thoughtful expressions of creativity like yours make this world a better place. I wish you success in your new endeavor. Please do not hesitate to contact my office, if I can ever be of assistance to you.

Very truly yours,

Senator Jane Nelson
